

## WHAT MAY FOLLOW.

*Washington Post*.—Now that the Bank of England has lost on a wild-cat investment, perhaps Johnny Bull will stop turning up his nose at our American manner of financing.

+

NAPOLON DISCOURAGED IN MAINE.  
*Rochester Post Express*.—Weeks, the embezzler, got ten years, while a Maine youth of fifteen got fifteen years for stealing \$76. The Pine Tree state will never have a little Napoleon of Finance.

+

## SHE LOVED WELLY.

*Toledo Blade*.—Miss Hug, of Brooklyn, had a narrow squeeze for life. She loved a policeman, but he not reciprocating she committed suicide. He must be a cold hearted man to withstand so enthralling a name.

+

## TEARFUL BEEFROOF FOR LILLIAN.

*Chicago Mail*.—If Lillian Russell wanted a divorce there was no good reason for refusing it to her, but it looks a good deal like a trampling on home industries for a Chicago-born girl, as she is, to go to New York to get it.

+

## ONE FOR THE CHURCH SALOON.

*Chicago Post*.—Everybody knows that the prohibition plan has failed. Dr. Ralston's may also fail. But it is not better to try it than to continue hutting one's head against a stone wall? It may not fall.

+

## TROUBLING AN OLD FRIEND.

*Chicago Mail*.—One of the Lincoln train robbers is an ex-con recently pardoned by Governor Altgeld. Of course the Governor will pardon him again, but he ought not to put his old friend in so much trouble.

+

## A PREACHER'S FAREWELL.

*Ram's Horn*.—Brothers and sisters, I come to say good bye. I don't think God loves this church very much, because none of you die. I don't think you love each other, because I never marry any of you. I don't think you ever do anything you have a hand in. Your donations are mostly fruit and warm apples, and by them, fruits ye shall know them. Brothers, I am going away from you to a better place. I have a call to be Chaplain of a penitentiary. Where I go you cannot come, but I go to prepare a place for you, and may the Lord have mercy on your souls; good-bye."

+

## WOULD LIKE TO KNOW.

*Tellico Blade*.—What is a Democratic principle anyhow? In 1864, the National Democratic platform denounced the "crushing war tax," and declared that "the system of direct taxation known as the internal revenue is a war tax," to be tolerated "only in case of dire necessity, or war." The internal revenue taxes then included those on tobacco, spirituous and malt liquors, and on incomes. Now the Democratic majority of the West and Middle West are pushing a bill which will increase the internal revenue tax on liquors, and reinforce income taxation, long ago repealed. The slogan next year will have to be, "Repeal the Democratic war tax!"

ACCIDENTAL DEATHS.

Caused by Carelessness.  
The majority of people die sooner than they should. Evidence of this fact is growing daily. Warnings say: "Disease is man's constant companion, it is due to physical conditions of living, working, class, way of life, Dr. Stephen Smith, on the same subject, "Man is born to health and long life; disease, pain, suffering, death are the result of his sins, is accident, and both are caused by human agencies." This is almost invariably true of death resulting from heart disease. Careless over-exertion, intense use of tobacco, total abstinence or other stimulants are generally the cause of this difficulty, and indifference to its progress results in sudden death, or long sickness ending in death. By the newspapers it can be seen that the prominent men and persons in private life die from heart disease every day.

If you have any of the following symptoms of heart disease, palpitation, pain in shoulder, side, or arm, swollen ankles, etc., begin treatment immediately for heart trouble. If you delay, the consequences may be serious.

For over 20 years Dr. Franklin Miles, the eminent specialist, has made a profound study of heart disease, its causes and cures, and many of his leading discoveries in this direction are due to him. His New Heart Cure is absolutely the only reliable remedy for the cure of heart disease, as proved by thousands of testimonials from grateful patients who have used it.

James A. Bain, editor of the *Corv. City Leader*, states: "I have had a palpitation of the heart, a rapid fall in the street, fainting and other heart disorders in the past, but I am now free from them. Dr. Miles' treatment has been the only one that has relieved me." My pulse beat from 80 to 160 times a minute.

A. L. Moore, Louisville, Ky., writes: "I once took a severe stroke, but Dr. Miles' remedy is not only a preventive but a cure."

Dr. Miles' treatment is a safe, simple, all-drugless on a positive guarantee, or Dr. Miles' money back. Price \$10.00, postpaid. Two extra boxes for \$20, express prepaid. It is positively free from opium or dangerous drugs. Dr. Miles' Price 20 cents. Free book or druggist, or mail.

## FROM HAWAII.

The Alameda, From Honolulu,  
Arrives at San Francisco.

Queen Liliuokalani Has Not Yet Been  
Restored to the Throne.

Minister Willis Declares That Nothing  
Would Be More Gratifying to Him Than  
to See the Stars and Stripes Waving  
Under Proper Conditions."

SAN FRANCISCO, Nov. 24.—The steam-  
er Alameda, which arrived at 7:33 a. m.  
Thursday from Honolulu, brings no  
news of special importance. There has  
been no attempt to restore Queen Li-  
liuokalani.

WASHINGTON, Nov. 24.—When the steam-  
er Alameda, which arrived at 7:33 a. m.  
Thursday from Honolulu, brings no  
news of special importance and that there was no attempt to  
restored Queen Liliuokalani, he said:  
"That is not surprising to me; I was  
not expecting to hear by this steamer that she had been restored."

HONOLULU, Nov. 16, via San Fran-  
cisco, Nov. 24.—The change in  
the political situation since the Aus-  
tralia sailed, has been one of increased  
strain and greater business depression.  
Since his formal call to present his cre-  
dentials, Minister Willis has not com-  
municated officially with the govern-  
ment.

The most significant happening  
which has taken place occurred last Monday, when a committee of the  
American Legion, the lately organized  
military and American Legion called  
on the new minister. After welcoming  
Mr. Willis, the committee stated  
that the members of the league earnestly  
desired that the Hawaiian Islands  
should remain as they were, and that  
the organization would support the  
present provisional government of  
Hawaii and in all honorable ways aid  
in accomplishing annexation. The  
address also contained an offer of aid if  
at any time the minister saw fit to com-  
mand their services.

Minister Willis' answer has not yet  
leaked out here, as the committee is  
pledged to secrecy, but the Associated  
Press correspondent, who has intelligent  
and careful comprehension of the  
versions of the minister's remarks as  
remembered by three members of the  
committee, to give the following near-  
ly, if not quite, verbatim precipitated on  
one side would be stopped at once by  
the United States forces.

"I am an ardent American. I would  
like to see the stars and stripes waving  
over the islands of Hawaii, but over the  
islands of the Pacific Ocean or any  
other territory which would be bene-  
ficial to the United States. I have my  
instructions which I can not divulge.  
But this much I can say that the policy  
of the United States could not be  
more acceptable to me than the position  
which I hold. Americans here will  
have nothing to regret. While performing my duty in carrying  
out the United States policy, I shall  
do my best to protect the rights of  
resident Americans. However, I wish  
to state positively that any outside inter-  
ference will not be tolerated by the  
United States."

The principal government coun-  
selor, Minister Willis' remarks are signifi-  
cant and from other information ob-  
tained it is the general belief among  
Americans that a United States pro-  
tectorate will be shortly established  
over the provisional government with the  
protection of a stable form  
of government to be organized there-  
under within a limited period.

Some are of the opinion that action  
will be taken between the sailing of  
the Alameda and the arrival of the  
Monowai on the 2nd inst. This opinion  
has been expressed on board the U. S. S.  
Philadelphia within the last few days.

Minister Willis' delay in action,  
coupled with his refusal to divulge or  
comment on the proposed policy of  
the United States to be followed in  
the political field, has led to a conflict  
with the principles I hold. Americans here  
will have nothing to regret. While per-  
forming my duty in carrying out the  
United States policy, I shall do my best  
to protect the rights of resident Americans.
